Plaintiff *pro se* and counsel for defendants appeared for an initial pretrial telephone conference today. The Court will separately docket the Civil Case Discovery Plan and Scheduling Order. Defendants shall mail a copy of that scheduling order to plaintiff.

The Court directed plaintiff to serve, by June 7, 2022, responses to the outstanding discovery requests and to complete and sign HIPAA authorizations served upon him by defendants.

Plaintiff was reminded that it is his obligation to promptly submit a written notification to the Court when his address changes and the Court may dismiss the action if Plaintiff fails to do so.
